Matt,

Attached as promised please find our letter responding to yours of October 3rd. The letter includes a number of attachments reflecting data gathering and analysis that the District has performed and which we hope may help to move this issue forward.

We are working on a redline of the draft AO and will have that along to you shortly. We very much share your desire to move expeditiously to a mutually agreeable conclusion.

Regards,

Richard

Subject: MMSD Draft AOC

Richard,

Attached please find EPA's response to MMSD's revised draft Administrative Order on Consent, dated July 27, 2017. Specifically, I have included in this email (1) a PDF cover letter briefing explaining EPA's position; (2) a PDF of EPA's proposed redline of MMSD's 7/27/17 draft; and (3) a clean Word version of the current draft AOC.

I believe that both MMSD and EPA hope to resolve this matter as quickly as practicable. In that effort, please do not hesitate to contact me if you want to discuss specific provisions of the revised draft AOC in more detail.

Sincerely,

Matt
